# Foxit® PDF Security Suite

## Protect Sensitive PDF Documents

Foxit PDF Security Suite delivers cost effective PDF policy protection to any business running Microsoft® SharePoint® or Exchange® with Active Directory® Rights Management Services (AD RMS). For IT professionals and business leaders who need to improve information security or meet compliance requirements, Foxit PDF Security Suite extends Microsoft AD RMS to provide policy protection to PDF documents. These protected PDF documents can be read by the Foxit Reader. The Foxit Reader is a Microsoft preferred PDF reader for AD RMS 2.0, SharePoint® 2013, and SharePoint Online in Office 365 environments.
