**Trouble-Free
Migration
and Use**

Foxit makes migrating from Adobe a cinch with white glove enterprise-wide deployment, centralized license and user management, and easy customization tools.

Foxit PDF Editor offers a clear, user-friendly Ribbon-style toolbar - similar to the Microsoft Office user interface. This enables an intuitive user experience and quick adoption with a short learning-curve.

'We are very happy with Foxit PDF Editor because the product helps our employees to perform their tasks efficiently and professionally. After all, hardly anyone is trained as an expert in PDF editing, so ease of use is very important to us. Foxit delivered this very well.'

Bernd Gewehr - Head of IT at Voessing

Great Support 24/7. Live.

The Foxit Support Center is here to help. Access our knowledgebase of tutorials, user manuals, and an AI-powered chat 24/7, 365 days a week, that can answer most of your support questions.

Human Help is a phone call or support ticket away. For technical assistance, submit a ticket through the Foxit Support Center. You can also call us toll-free at 1-866-MY-FOXIT. (Europe customers call +49 3021 783 691.)

The built-in chat support function in Foxit PDF Editor enables you to directly address your issues without having to leave the application.

As a software company we believe in automation - but not in automated phone systems. With Foxit you won't talk to a machine and wait in line for hours, but you will get support from a real person.

'I have nothing but good things to say about the support we received from the Foxit PDF Editor team. They've been instrumental in helping us to use the software in the most efficient way to fit our needs.'
