## THE PDF SOLUTION BUSINESSES NEED

Foxit PDF Editor+ facilitates the rapid and effortless generation of polished PDF documents, offering advanced editing functionalities, legally binding electronic document signing, and robust security measures to protect sensitive data. Additionally, it encompasses subscriptions to Foxit PDF Editor Cloud, Foxit eSign, and Foxit PDF Editor for Mobile. Noteworthy aspects of Foxit PDF Editor+ includes:

#### Advanced PDF Editing

- Automatically identifies text boxes and allows users to edit paragraphs with seamless reflow of paragraphs like a word processor.
- Modify text, objects, format, organization, and layout with powerful document editing capabilities.
- Add text, images, and video to your PDF document.

#### Organize PDF Documents

- Add, delete, or combine pages from multiple PDF files to create new PDF documents.
- Thumbnail panel allows you to re-organize pages by simply dragging and dropping page thumbnails within a document or from one document to another.
- Delete, add, swap, flatten, crop, and extract pages in a PDF document.
