Smart Redact	<p>Smart Redact seamlessly integrates into the fabric of Foxit PDF Editor Suite Pro for Individuals, enhancing document security and efficiency. Smart Redact alleviates the need for manual scrutiny of each page to uncover sensitive information dispersed within sentences. Instead, it compiles a comprehensive inventory of sensitive data embedded within a PDF file. Salient attributes of Foxit Smart Redact encompass:</p> <ul style="list-style-type: none"> <li>Precision in identifying sensitive information within PDF files.</li> <li>Robust AES-256 encryption during data transmission between PDF Editor and the Foxit cloud.</li> <li>Customizable user profiles, empowering users to selectively redact confidential content across varied document types.</li> </ul>
Cloud Document Sharing	<p>Enabling the Cloud Document Sharing feature offers several substantial advantages to users:</p> <ul style="list-style-type: none"> <li><b>Efficient Collaboration:</b> Users can seamlessly collaborate on documents in real-time, eliminating the need for laborious and error-prone manual document sharing.</li> <li><b>Version Control:</b> All modifications and edits made by collaborating users are automatically saved back to the source document. This ensures that all users are constantly working on the most up-to-date version, minimizing the risk of discrepancies and errors.</li> <li><b>Enhanced Document Management:</b> This feature empowers users to better manage shared files. It effectively eliminates the need for duplicate sharing and downloading of the same document, streamlining the document management process.</li> </ul>

## SYSTEM REQUIREMENTS
