

## Foxit Reader

### Free, Fast, & Secure

Foxit Reader is the industry's most powerful PDF Reader. It's a small, very fast, and feature-rich PDF Reader which enables users to view, annotate, form fill, and sign PDF documents and forms. Its easy-to-use Office-style ribbon toolbar makes it simple to learn for existing Office users. Foxit Reader is designed to meet the PDF viewing needs of enterprise and government organizations. Its mass deployment options and integration with popular Enterprise Content Management systems and cloud storage services make it the preferred PDF Reader for large groups. Foxit Reader's secure platform ensures worry free operations against malicious viruses.

Foxit Reader provides a full set of annotation tools to make comments or take notes.
